Dietary Concerns

Please inform us if you have any dietary limitations or concerns we should provide to the catering department when finalizing food orders:

In addition to the annual required reports, the AGM portion will include:

- Members vote to change sections of the Bylaws related to Quorum, meeting notifications, and Board position terms.
- Election of new Chairperson and Directors. Submit NOMINATIONS for positions [HERE](#).

It is important that enough members attend to achieve quorum limitations, in order to process these important changes. We sincerely hope you will join us!
